Please be as precise as possible. If you wish to support the legal compliance or soundness of the Plan, or its compliance with the duty to co-operate, please also use this box to set out your comments.

I wish to support the Objection from Save Our Edgware and the Edgware Community Association to the Edgware Growth Area for building 4,740 homes (Ref: SOE-Objection04-GSS05)

I welcome re-development of Edgware but have reservations to the number of houses which it is said to be required, the planning consultation was carried out to a minimum requirement to satisfy the matter of legality, the MM's proposed are therefore I regard to be unsound as they have not consulted a proportional majority of the people living in Edgware, My Postal address is noted and legally accredited as Edgware but I did not receive any consultation documents

Continue on a separate sheet if necessary

Question 4: Please set out the modification(s) you consider is/are necessary to make the Main Modification legally compliant and sound with respect to the matters you have identified in Question 3 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I wish to support the Proposed Modifications (Question 4) and revised words in the representation from Save Our Edgware and the Edgware Community Association (Ref: SOE-Objection04-GSS05)

Please note:

In your representation you should summarise succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s).
