I'm writing to express my concerns regarding the Edgware policy in the proposed Main Modifications to the the Barnet Local Plan.

As a resident of Edgware ,I understand the plan has been under development since 2020. However, I only recently became aware of its existence and its potential impact on our community.

Unfortunately ,I haven't received any written communication from Barnet Council about the Local,despite its significance for Edgware s future.

Given the potential for significant change to Edgware's character and residents' quality of life , I believe wider notification would have been helpful.

I found the volume and complexity of the Local Plan and the related documents overwhelming. The 42- day consultation period seems insufficient for anybody to comprehend the plan's details- especially for anyone with work or caring commitments.

However ,I'm deeply concerned about the impact of the Local Plan on Edgware ad its residents ,both present and future .

In light of these concerns , I would like to express my support for any representation made by Save our Edgware Community Association.

Pleas3 consider their submission as reflecting my own concerns.

Please can you arrange for this letter to be considered as part of the Equality Impact Assessment ?

Yours sincerely
Ms Bozica Mokole
