> We are very concerned about the plans being submitted by Ballymore to develop the centre of Edgware.  
> This project is much too large for the area. It is on top of a primary school and the dust and noise will badly affect the children. Causing chest problems and mental health issues.  
> No consideration is being given to disabled people who find the shortage of parking spaces now, a problem and these plans will make it worse.  
> Edgware needs to be cleaned up and money should be spent on this rather than artwork.  
> There is land standing empty on the Watford Way near Mill Hill which was going to be used by Amazon but that has not materialised. This would be a perfect location for tall buildings as they would not affect either centres.
