I am writing to express my concerns regarding the Edgware Policy in the proposed Main Modifications to the Barnet Local Plan. We live a very short distance from where this development is planned and use the shopping and transport facilities on a daily basis. We are very concerned about a loss of privacy due to the high rise element of this development and parking concerns.

As a resident of Edgware, I understand the plan has been under development since 2020. However, I only recently became aware of its existence and its potential impact on our community.

Unfortunately, I haven't received any written communication from Barnet Council about the Local Plan, despite its significance for Edgware's future. Given the potential for significant change to Edgware's character and residents' quality of life, I believe wider notification would have been helpful.

In light of these concerns, I would like to express my support for any [representations](#) made by Save Our Edgware and the Edgware Community Association. Please consider their submissions as reflecting my own concerns.

Please can you arrange for this letter to be considered as part of the Equality Impact Assessment?

Yours sincerely,

John & Elizabeth Devine
