I am writing to express my concerns regarding the Edgware Policy in the proposed Main Modifications to the Barnet Local Plan. .

.  
As a resident in the Borough, I use the Shopping Centre almost 3 – 4 times a week. We do our grocery shopping at the local Sainsbury shop.

Also the Parking in the Shopping is convenient for any other visits on the high street. WE have our local GP surgery in the area. I am a bmember of the Library and visit this very often.

I have 3 days at the Stonegrove centre – Monday (Tichi class); Tuesday – Keep fit class and Thursday – for mid day social.

As a resident of Mill Hill, I understand the plan has been under development since 2020. However I only recently became aware of its existence and its potential impact on our community.

I found the volume and complexity of the local Plan and related documents overwhelming. The 42 – day consultation period seems insufficient and the plan's details- especially for anyone with work  
Or caring commitments.

.  
However , I am deep[ly] concerned about the impact of the Local Plan on Edgware and its residents, both present and future,

In light of these concerns, I would like to express my support for any representations made by Save Our Edgware Community Association. Please consider their submissions as Reflecting my own concerns.

Yours sincerely,

Vallabhadas J Sonecha
